

# Meet Your Family Medicine Provider

## Nelly Ruiz, MD, MHSA

*During my medical training, my parents underwent critical illnesses. During those times, it helped me emphasize the importance of humanizing medicine. It strengthened my interest for treating my patients as a whole, with dignity and respect.*

### **What sets me apart from other Medical Providers**

I emphasize preventive medicine and early recognition of risk factors that lead to chronic diseases while promoting my patients to be active in their healthcare. I want my patients to feel empowered during their visit and that they are receiving the top healthcare services possible.
