

Meet Your Family Medicine Provider

Francis Lee, MD

I hope to provide my patients with the best and most up-to-date choices for their health including using the latest technology and treatments. I strive to help all my patients understand what's going on with their health in this complex medical system.

Why I Chose Health Care

"I was inspired to become a physician after going on various medical mission trips to developing countries including Panama, Bolivia, and the Dominican Republic. I saw firsthand the positive impact physicians had to help those who are hurting. I hope to use my knowledge and resources to serve people both here and abroad."

Department of Family Medicine

As a provider in Christie Clinic's Department of Family Medicine, Dr. Lee offers a wide range of acute and chronic care services to family members of all ages, from newborns to geriatric patients.

Hospital Affiliation

Carle Foundation Hospital, OSF HealthCare Heart of Mary Medical Center in Champaign

I spent 11 years in Champaign before I completed my medical training in Chicago. During that time, I grew to love the Champaign-Urbana community which prompted my return. Outside of work, I am heavily involved with my church. I enjoy all sports, foods, and traveling. I can speak fluent English, limited Korean and Spanish.
