

Meet Your Nurse Practitioner

Maleah Grussing, RNC, CNP

I strive to best serve my patients by making sure their needs are heard and that we work together to take care of them – not only as a patient, but as an individual. I want my patients to feel open to discuss concerns with me and feel that they have a provider they want to come back to. I am always willing to go the extra mile to get the needs of the patient met.

Why I became a Medical Provider

"I knew from when I was a very small child that I wanted to be a nurse. My paternal grandparents had multiple health issues when I was very young, so I was always exposed to the health care field. I wanted to make a difference in the lives of others by being able to provide health care options that would allow them to make the best decisions for their well-being."

Education

Indiana University, Indianapolis, IN; Parkland College, Champaign, IL

Certification

National Certification Corporation

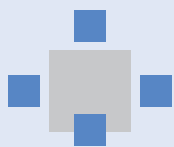

Professional Memberships

NWHP

Department of Family Medicine

As a member of Christie Clinic's Department of Family Medicine, Maleah sees patients who are diagnosed with non-surgical diseases and disorders and promotes wellness for patients of all ages. She specializes in women's health and performs routine gynecologic exams, as well as evaluates and treats minor illnesses.

Maleah was born and raised in Champaign County and currently lives in Royal with her husband, Wes, and Jack Russell – Spanky. She has one daughter, Holly, and three grandchildren – Kiersten, Jaden, and DeCharion who are her pride and joy. Maleah loves the outdoors, working in her flower and vegetable gardens and canning the results. She also enjoys cooking and entertaining for family friends.
